

ShipTek 2010

International Conference on Shipping, Marine and Offshore Industry
Hotel Crowne Plaza, Dubai, April 18-19

ShipTek 2010 The Road Map of Shipping Industry

Preface

Shipping technology has been one of the major factors that keep the world economy afloat. The technology revolution has helped the industry take huge leaps forward. It is of utmost importance, and an absolute necessity that engineers, technicians and business heads associated with the shipping industry met periodically and exchange their ideas.

It is with this understanding that ShipTek conferences are conceived, planned and organized by Marine BizTV and Aries Marine every year. The venue for ShipTek 2008, the first of the series, was none other than Cochin, the Queen of Arabian Sea. Encouraged by the success of that event, ShipTek 2009 was organized with a wider network of global participants at the exotic Southeast Asian country, Singapore. The event evoked huge interest and enthusiasm among the key global players in the industry, despite the world economy being in the grip of a deep recession.

It is only appropriate on our part that we selected Dubai, the emerging business capital of the world, as our next venue- for ShipTek 2010. Located at the cross roads of Asia, Africa & Europe, Dubai is well positioned to attract the entire shipping fraternity for this absorbing meet. Fuelled by success, powered by wings of support from our well wishers, Marine BizTV is all set to make ShipTek 2010 a historic event.

Ad Bertens

Managing Director /
Vice President - Services,
Wärtsilä, Middle East.

"Wärtsilä in UAE is delighted to be involved in the Shiptek 2010, organized by Marine Biz TV, which recognize excellence within the marine and offshore industry. We believe that this will be a unique platform on bringing together all the key sectors of the industry in one place at one time. Our sponsorship and participation in the conference helps us reach a qualified target audience. It also provides a great communication to distinguish our commitment to sustainable lifecycle power solutions as we set out to be the most valued business partner of every customer."

Testimonials

"It truly was a great pleasure for everyone in the 'Mari-Time Team' to attend and experience the ShipTek 2009 - The 3rd International Maritime Video and Excellence Awards. Very professional arrangement, well planned and executed and my sincere compliments to the MarineBizTV Team for a job well done. We will definitely be back."

-**Tommy Thomassen**, Managing Director, Mari-Time Solutions (Singapore) Pte. Ltd., Singapore

"I like to extend my sincere compliments to you and everyone involved in organizing the ShipTek 2009 conference and dinner for the excellent organization and the very friendly atmosphere which is so much more memorable than some formal dinners."

-**Professor Choo Yoo Sang**, Director (Research), Centre for Offshore Research & Engineering, National University of Singapore (NUS)

"Shiptek 2009 in Singapore was a grand event that brought together senior maritime professionals from the SE Asian and Middle East regions. I have no doubt that Shiptek 2010 in Dubai will be a great success as well. MarineBiz has crafted a niche for itself in Maritime Broadcasting and Topaz is happy to support its events."

-**Fazel A. Fazelbhoj**, Chief Executive Officer, Topaz Energy and Marine Ltd.

"My Sincere appreciation to the ShipTek 2009 team that organized the evening, it was truly well done in all respects"

-**John Bruisma**, Manager, Smit Singapore Pte Ltd

"ShipTek 2009 on the whole and the launch and awards ceremony in particular, everything was so perfect that I am at a loss to give any suggestions. The event was meticulously planned, the stage show was mesmerising and the food was awesome."

-**Satya P Arora**, Member, Governing Council, Chairman, Institute of Marine Engineers India

"Congratulations, Shiptek 2009 team-Well done and excellent show."

-**Chua Boon Chong**, Sales & Marketing Director, Goltenz

"I would like to congratulate Marine BizTV, organizers and sponsors on successfully hosting ShipTek 2009."

-**Sumate Tanthuanit**, President, Regional Container Lines Public (Thailand) Company Ltd.

"ShipTek 2009 initiated by Marine BizTV is a commendable CSR initiative, to recognize and reward organizations and people who have made an impact on the continual progress of the global marine industry. It is indeed an exciting annual event which the world maritime community could look forward to in the years to come."

-**Capt. Asitha Wijesekera**, President, CINEC Maritime Campus Sri Lanka

"It was obvious that a lot of hard work went into the event. Best wishes for the next"

-**Dennis C Carroll**, Managing Director, Damen Shipyards Singapore Pte Ltd
